

Event Details

Are there any costs for attending the seminar?

No. Once we have your approved application, we'll start the registration process. We cover the costs for air travel, two nights at the Marriott Waterfront Hotel, transfers to/from BWI Airport, continental breakfast/lunch/snacks during the demo day, and a cocktail reception with dinner at an outstanding local restaurant for two licensed health care providers.

Who handles the hotel and travel arrangements?

We've already reserved the rooms and the dinner reservation. We'll work with you to arrange your flights and coordinate transportation to/from seminar. We'll do our best to accommodate any special needs or requests you have.

Are there any conditions or terms?

Yes. We require a signed and approved application. The application is a credit check and approval requires that you are pre-approved for financing. We may also need to verify that you and your co-traveler are in good standing with your state medical board. We reserve the right to make changes at anytime and without notice. We'll do our best to keep you updated, work through any problems that arise and keep any changes to a minimum.

What if I have to cancel?

We would be very disappointed. If you have to cancel we'll work with you to re-schedule. The main problem is the airfare. The tickets are non-refundable and non-transferable, so if we're not able to re-schedule, you will be billed for the airfare.
